NEW EDITION OF THE MAXWELL HOUSE
HAGGADAH

DURING THE PAST 30 YEARS, the Coffees of Maxwell House have been privileged to sponsor the distribution of many millions of Passover Haggadahs.

This year the Maxwell House Haggadah has been completely redesigned for improved readability, and for understanding and deeper appreciation of every one at the Seder table.

This Haggadah is complete. There are no deletions from the traditional version, in either Hebrew or English. The Hebrew and English texts are printed in parallel columns. Included this year are trans-literations of prayers and points that should be said in Hebrew – easy for all to follow and enjoy.

Acknowledgement is gratefully given to the Orthodox Rabbis and scholars who have worked so many hours on this book. Particular appreciation is expressed to Rabbi Hersch Kohn and to his associate Rabbi Bernard Levy, for their generous contributions. Rabbi Kohn has, of course, always supervised preparation of the Maxwell House Haggadah, and has supervised and certified Maxwell House Coffee, Sanka Coffee and Yuban Coffee for Passover for many, many years.
